**Request to Apply Previously Paid Issue Fee in Response to Notice of Allowance
and Issue Fees Due**

Mail Stop: Issue Fee

Commissioner for Patents
PO Box 1450
Alexandria, VA 22313-1450

Sir:

On July 28, 2008, in response to a Notice of Allowance and Issue Fees Due mailed April 28, 2008, Applicants paid the required amount of \$1,740.00. (*See*, Issue Fee Payment dated July 28, 2008 attached hereto as Exhibit A.) This amount covered the \$1,440 issue fee and \$300 publication fee that were the required fees at the time.

Subsequently, on August 7, 2008, Applicants petitioned to withdraw the present application from issue to submit additional art for consideration by the Examiner. On August 21, 2008 the United States Patent and Trademark Office ("USPTO") issued a second Notice of Allowance and Issue Fees Due (the "Second Notice of Allowance"). (Attached hereto as Exhibit B.) The Second Notice of Allowance referenced the previously paid issue fee of \$1,440. Despite this acknowledgement however, the Second Notice of Allowance indicated total fees due of \$1,440. Applicants respectfully submit that because the required issue fee of \$1,440 has been paid, the total fees due amount of \$1,440 is in error.

Effective October 2, 2008, the United States Patent and Trademark Office implemented a new Fee Schedule that increased the Utility Patent Issue Fee to \$1,510. This represents a \$70 increase from the previous Issue Fee of \$1,440.

In this light, Applicants have concurrently filed herewith an Issue Fee Transmittal (Form PTOL-85, Part B) corresponding to the second Notice of Allowance and Issue Fees Due. Further, Applicants respectfully request the previously paid Issue Fee of \$1,440.00 be applied in partial satisfaction of the issue fee required by the second Notice of Allowance and Issue Fees Due. Accordingly, Applicants respectfully request that \$70 to cover the difference between the previously paid Issue Fee and the present Issue Fee amount be debited from Deposit Account No. 19-0036, and respectfully request the application be passed to issue.

It is not believed that extensions of time or fees for net addition of claims are required beyond those that may otherwise be provided for in documents accompanying this paper. However, if additional extensions of time are necessary to prevent abandonment of this application, then such extensions of time are hereby petitioned under 37 C.F.R. § 1.136(a), and any fees required therefor (including fees for net addition of claims), or other fees that may be due that are not otherwise accounted for herein, are hereby authorized to be charged to our Deposit Account No. 19-0036. If it is believed for any reason that personal communication will expedite prosecution of this application, please do not hesitate to call the undersigned at the telephone number provided.

Respectfully submitted,
